

Benefits of Med Pay Insurance

WHY SHOULD I CARRY AT LEAST 2K IN MED PAY?

- It can be used regardless of fault!
- It pays in addition to the at fault party's insurance!
- It is inexpensive compared to the benefits you receive!
- It will NOT make your deductible change!
- It will NOT cause your premium to increase!
- It covers you AND anyone occupying your covered auto!
- It covers YOU while occupying anyone else's auto!
- It covers YOU if you are personally hit by any vehicle!
- It is a contractual agreement and is ready to use when the claim is opened!
- It pays up to, but not exceeding, the cap amount you purchase, based on your medical expenses!
